

Communities

Many people spend all their lives dreaming of a storybook life; we in Lawrence County spend all our lives writing that storybook. It does not get any better than raising your family in small town America. Tight-knit, warm, and inviting communities abound in our county and, while they are each unique places all unto themselves, collectively they combine to create a larger community that offers the comforts of life along with the perfect backdrop for cherished memories.

MUNICIPALITIES

Monticello: population 1,571; county seat;
Fire Rating Classification: Sixth Class

New Hebron: population 447;
Fire Rating Classification: Eighth Class

Silver Creek: population 210; Fire Rating Classification: Eighth Class

- Each municipality is served by the Lawrence County School District.
- The Town of Monticello is served by a career fire department and a full-time Parks and Recreations Director and Program with many activities for all.
